INDEPENDENT AUDITOR'S REPORT

To the Board of Directors CAMFED USA Foundation San Francisco, California

Opinion

We have audited the accompanying financial statements of CAMFED USA Foundation (the Foundation), which comprise the statement of financial position as of December 31, 2022, and the related statements of activities and change in net assets, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the Foundation as of December 31, 2022, and the change in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Foundation and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists.

4550 Montgomery Avenue • Suite 800 North • Bethesda, Maryland 20814 (301) 951-9090 • www.grfcpa.com

The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether
 due to fraud or error, and design and perform audit procedures responsive to those risks.
 Such procedures include examining, on a test basis, evidence regarding the amounts and
 disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances, but not for the purpose of expressing
 an opinion on the effectiveness of the Foundation's internal control. Accordingly, no such
 opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Foundation's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Report on Summarized Comparative Information

Gelman Kozenberg & Freedman

We have previously audited the Foundation's 2021 financial statements, and we expressed an unmodified audit opinion on those audited financial statements in our report dated September 30, 2022. In our opinion, the summarized comparative information presented herein as of and for the year ended December 31, 2021, is consistent, in all material respects, with the audited financial statements from which it has been derived.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION

Organization -

CAMFED USA Foundation (the Foundation) is a charitable non-profit organization, incorporated in the State of Delaware. The Foundation's office is located in San Francisco, California and its activities are substantially supported by public and private grants and contributions. CAMFED is a non-governmental organization founded in response to the exclusion of girls from education in Africa. The purposes of the Foundation are:

- To provide financial and other assistance for the education of children and young people throughout the less-developed world;
- To provide financial and other assistance to educational facilities throughout the less-developed world; and
- To advance the education of the general public in subjects relating to the lives of children and young people in the less-developed world and how these are affected by education and the lack thereof.

The accompanying financial statements include the activities of the Foundation only. The Foundation is an affiliate of CAMFED International. The Foundation's Board of Directors is appointed by CAMFED International.

CAMFED International, located in the United Kingdom, reports consolidated financial information with its affiliates. Each Affiliate is established under the laws of the country in which it is located and conducts its activities in that country. The affiliates are as follows:

- · CAMFED Zimbabwe, established in 1993;
- · CAMFED USA Foundation, established in 2001;
- CAMFED Zambia, established in 2002;
- CAMFED Tanzania, established in 2006;
- CAMFED Ghana, established in 2007;
- CAMFED Malawi, established in 2009;
- CAMFED Canada, established in 2017; and
- CAMFED Australia, established in 2019

Basis of presentation -

The accompanying financial statements are presented on the accrual basis of accounting, and in accordance with Financial Accounting Standards Board (FASB) Accounting Standards Update (ASU) 2016-14, *Presentation of Financial Statements of Not-for-Profit Entities*. As such, net assets are reported within two net asset classifications: without donor restrictions and with donor restrictions. Descriptions of the two net asset categories are as follows:

- Net Assets Without Donor Restrictions Net assets available for use in general operations
 and not subject to donor restrictions are recorded as "net assets without donor restrictions".
 Assets restricted solely through the actions of the Board are referred to as Board designated
 and are also reported as net assets without donor restrictions.
- **Net Assets With Donor Restrictions** Net assets may be subject to donor-imposed stipulations that are more restrictive than the Foundation's mission and purpose.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Basis of presentation (continued) -

• Net Assets With Donor Restrictions (continued) - Some donor imposed restrictions are temporary in nature, such as those that will be met by the passage of time or other events specified by the donor. Donor imposed restrictions are released when the restriction expires, that is, when the stipulated time has elapsed, when the stipulated purpose for which the resource was restricted has been fulfilled, or both. Other donor imposed restrictions are perpetual in nature, where the donor stipulates that resources be maintained in perpetuity. Gifts of long-lived assets and gifts of cash restricted for the acquisition of long-lived assets are recognized as revenue without donor restrictions when the assets are placed in service.

The financial statements include certain prior year summarized comparative information in total but not by net asset class; such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Foundation's financial statements for the year ended December 31, 2021, from which the summarized information was derived.

New accounting pronouncement adopted -

During the year ended December 31, 2022, the Foundation adopted ASU 2020-07, *Presentation and Disclosures by Not-for-Profit Entities for Contributed Nonfinancial Assets*, which improves generally accepted accounting principles in the United States (U.S. GAAP) by increasing the transparency of contributed nonfinancial assets for not-for-profit (NFP) entities through enhancements to presentation and disclosure. The amendments in this Update address certain stakeholders' concerns about the lack of transparency relating to the measurement of contributed nonfinancial assets recognized by NFPs, as well as the amount of those contributions used in a NFP's programs and other activities. The ASU was adopted retrospectively and did not change the recognition and measurement requirements for those contributed nonfinancial assets.

Cash and cash equivalents -

The Foundation considers all cash and other highly liquid investments with initial maturities of three months or less to be cash equivalents. Bank deposit accounts are insured by the Federal Deposit Insurance Corporation (FDIC) up to a limit of \$250,000. At times during the year, the Foundation maintains cash balances in excess of the FDIC insurance limits. Management believes the risk in these situations to be minimal.

Investments -

Investments are recorded at their readily determinable fair value. Realized and unrealized gains and losses are included in grants and contributions revenue in the Statement of Activities and Change in Net Assets. Investments acquired by gift are recorded at their fair value at the date of the gift. The Foundation's policy is to liquidate all gifts of investments as soon as possible after the gift.

Grants and contributions receivable -

Grants and contributions receivable that are expected to be collected in future years are recorded at fair value, measured as the present value of their future cash flows.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Grants and contributions receivable (continued) -

The discounts on these amounts are computed using risk-adjusted interest rates applicable to the years in which the promises are received. Amortization of the discounts is included in grants and contribution revenue. The allowance for doubtful accounts is determined based upon an annual review of account balances, including the age of the balance and the historical experience with the donor and/or customer. All receivables are considered by management to be fully collectible. Accordingly, an allowance for doubtful accounts has not been established.

Fixed assets -

Fixed assets in excess of \$500 are capitalized and stated at cost. Fixed assets are depreciated on a straight-line basis over the estimated useful lives of the related assets, generally three to five years. The cost of maintenance and repairs is recorded as expenses are incurred. Depreciation expense for the year ended December 31, 2022 totaled \$7,830.

Income taxes -

The Foundation is exempt from Federal income taxes under Section 501(c)(3) of the Internal Revenue Code. Accordingly, no provision for income taxes has been made in the accompanying financial statements. The Foundation is not a private foundation.

Uncertain tax positions -

For the year ended December 31, 2022, the Foundation has documented its consideration of FASB ASC 740-10, *Income Taxes*, that provides guidance for reporting uncertainty in income taxes and has determined that no material uncertain tax positions qualify for either recognition or disclosure in the financial statements.

Contributions and grants -

The majority of the Foundation's activities are supported by grants and contributions from corporations, foundations, individuals and other private entities. These awards are for various activities performed by the Foundation. Grants and contributions are recognized in the appropriate category of net assets in the period received. The Foundation performs an analysis of the individual grant or contribution to determine if the revenue streams follow the contribution rules or if they should be recorded as an exchange transaction depending upon whether the transactions are deemed reciprocal or nonreciprocal under ASU 2018-08, Not-for-Profit Entities (Topic 958): Clarifying the Scope and Accounting Guidance for Contributions Received and Contributions Made.

For grants and contributions qualifying under the contribution rules, revenue is recognized upon notification of the award and satisfaction of all conditions, if applicable. Contributions and grants qualifying as contributions that are unconditional and have donor restrictions are recognized as "without donor restrictions" only to the extent of actual expenses incurred in compliance with the donor-imposed restrictions and satisfaction of time restrictions. Funds in in excess of expenses incurred are shown as net assets with donor restrictions in the accompanying financial statements.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

Contributions and grants (continued) -

Contributions or grants qualifying as conditional contributions contain a right of return from obligation provision that limits the Foundation on how funds transferred should be spent. Additionally, a barrier is present that is related to the purpose of the agreement. The Foundation recognizes revenue for these conditional contributions when the related barrier has been overcome. Funds received in advance of the incurrence of qualifying expenditures are recorded as refundable advances. There were no conditional commitments as of December 31, 2022.

In-kind contributions -

In-kind contributions consist of donated professional services and subscriptions. In-kind contributions are recorded at their fair market value as of the date the services are provided. Contributed services are recognized as contributions if the services (a) create or enhance nonfinancial assets or (b) require specialized skills, are performed by people with those skills, and would otherwise be purchased by the Foundation.

Use of estimates -

The preparation of the financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Accordingly, actual results could differ from those estimates.

Functional allocation of expenses -

The costs of providing the various programs and other activities have been summarized on a functional basis in the Statement of Activities and Change in Net Assets. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Expenses directly attributed to a specific functional area of the Foundation are reported as direct expenses to the programmatic area and those expenses that benefit more than one function are allocated on a basis of estimated time and effort or other reasonable basis.

Foreign currency translation -

The U.S. Dollar is the functional currency for the Foundation. Transactions in currencies other than U.S. Dollars are translated at the rate of exchange in effect at the date that funds are transferred to United Kingdom and African Affiliates during the year.

Fair value measurement -

The Foundation applies the provisions of FASB ASC 820, Fair Value Measurement. FASB ASC 820 defines fair value, establishes a framework for measuring fair value, establishes a fair value hierarchy based on the quality of inputs (assumptions that market participants would use in pricing assets and liabilities, including assumptions about risk) used to measure fair value, and enhances disclosure requirements for fair value measurements. The Foundation accounts for a significant portion of its financial instruments at fair value or considers fair value in their measurement.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES AND GENERAL INFORMATION (Continued)

New accounting pronouncement not yet adopted -

Accounting Standard Update (ASU) 2016-13, *Financial Instruments – Credit Losses* (Topic 326), replaces the incurred loss impairment methodology in current U.S. GAAP with a methodology that reflects expected credit losses and requires consideration of a broader range of reasonable and supportable information to inform credit loss estimates. The ASU is effective for the Foundation for the year ending December 31, 2023. The ASU can be applied at the beginning of the earliest period presented using a modified retrospective approach.

The Foundation plans to adopt the new ASU at the required implementation date and management is currently in the process of evaluating the adoption method and the impact of the new standard on its accompanying financial statements.

2. INVESTMENTS

Investments consisted of the following as of December 31, 2022:

 ir Value - ₋evel 1
\$ 4.836

Money Market Funds

In accordance with FASB ASC 820, *Fair Value Measurement*, the Foundation has categorized its financial instruments, based on the priority of the inputs to the valuation technique, into a three-level fair value hierarchy.

The fair value hierarchy gives the highest priority to quoted prices in active markets for identical assets or liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). If the inputs used to measure the financial instruments fall within different levels of hierarchy, the categorization is based on the lowest level input that is significant to the fair value measurement of the instrument. Investments recorded in the Statement of Financial Position are categorized based on the inputs to valuation techniques as follows:

- **Level 1.** These are investments where values are based on unadjusted quoted prices for identical assets in an active market the Foundation has the ability to access.
- **Level 2.** These are investments where values are based on quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, or model-based valuation techniques that utilize inputs that are observable either directly or indirectly for substantially the full-term of the investments.
- **Level 3.** These are investments where inputs to the valuation methodology are unobservable and significant to the fair value measurement.

Following is a description of the valuation methodology used for investments measured at fair value. There were no changes in methodology and no transfers between levels in the fair value hierarchy during the year ended December 31, 2022. Transfers between levels are recorded at the end of the reporting period, if applicable.

Money Market Funds - The money market fund is an open-end funds that is registered with the Securities and Exchange Commission (SEC) and is deemed to be actively traded.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

3. GRANTS AND CONTRIBUTIONS RECEIVABLE

As of December 31, 2022, contributors to the Foundation have made written promises to give totaling \$17,031,391. Grants and contributions due in more than one year have been recorded at the present value of the estimated cash flows, using a discount rate ranging from 0.07% to 4.54%. Approximately 78% of the grants receivable are promises to give from three contributors.

Grants are due as follows at December 31, 2022:

GRANTS RECEIVABLE	\$	16,738,677
Total Less: Allowance to discount balance to present value	_	17,031,391 (292,714)
Less than one year One to five years	\$ _	7,885,226 9,146,165

4. NOTES PAYABLE

The Foundation received two notes under the Paycheck Protection Program. The first note was received on June 4, 2020 and the second note was received on January 17, 2021. Each of the loans totaled \$181,500. The promissory notes called for monthly principal and interest payments amortized over the term of the promissory notes with a deferral of payments for the first six months.

The Foundation used the proceeds for purposes consistent with the Paycheck Protection Program and met the conditions for forgiveness of the notes. The Foundation received forgiveness of both notes during the year ended December 31, 2022. Accordingly, the Foundation recorded revenue from the extinguishment of debt of \$363,000 during the year ended December 31, 2022.

5. NET ASSETS WITH DONOR RESTRICTIONS

Net assets with donor restrictions consist of the following at December 31, 2022:

Girls Education and Young Women's Empowerment Subject to passage of time Endowment to be invested in perpetuity	85,115 1,122,329 4,836

Subject to expenditure for specified purpose: Bursary and Transition Support	\$ 12,128,862

The following net assets with donor restrictions were released from donor restrictions by incurring expenses (or through the passage of time) which satisfied the restricted purposes specified by the donors:

Purpose restrictions accomplished: Bursary and Transition Support	\$	4,153,790

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

6. LIQUIDITY

Financial assets available for use for general expenditures within one year of the Statement of Financial Position comprise the following:

Cash and cash equivalents Grants and contributions receivable Due from Affiliates	\$ 11,311,908 7,885,226 <u>2,938,859</u>
Subtotal financial assets available within one year Less: Donor restricted funds	22,135,993 (16,395,249)

FINANCIAL ASSETS AVAILABLE TO MEET CASH NEEDS FOR GENERAL EXPENDITURES WITHIN ONE YEAR \$ 5,740,744

The Foundation is substantially supported by restricted contributions. Because a donor's restriction requires resources to be used in a particular manner or in a future period, the Foundation must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. As part of the Foundation's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. In addition, the Foundation invests cash in excess of daily requirements in short-term investments. In the event of an unanticipated liquidity need, the Foundation may borrow from a CAMFED affiliate office which would be offset through an intercompany balance due.

7. IN-KIND CONTRIBUTIONS

During the year ended December 31, 2022, the Foundation was the beneficiary of donated services which allow the Foundation to provide greater resources towards various programs. There were no donor-imposed restrictions associated with the in-kind contributions during the year ended December 31, 2022. Donated legal services are valued based on the attorney's standard hourly rate multiplied by the number of hours donated to the Foundation. To properly reflect total program expenses, the following donations have been included in revenue and expense for the year ended December 31, 2022.

Legal services Other	\$ 21,048 2,058
TOTAL	\$ 23,106

The following programs have benefited from these donated services:

Management and General	\$ 21,048
Fundraising	 2,058
TOTAL	\$ 23,106

8. LEASE COMMITMENTS

In July of 2018, the Foundation signed a five year office lease with an initial monthly base rent of \$5,874 and annual escalations of 3%. The Foundation is also responsible for a proportionate share of expenses.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

8. LEASE COMMITMENTS (Continued)

ASU 2019-01, Leases (Topic 842), changes the accounting treatment for operating leases by requiring recognition of a lease asset and lease liability at the present value of the lease payments in the Statement of Financial Position and disclosure of key information about leasing arrangements. The Foundation also elected the practical expedient that allows lessees to choose to not separate lease and non-lease components by class of underlying asset and are applying this expedient to all relevant asset classes. The Foundation adopted the package of practical expedients to not perform any lease reclassification, did not reevaluate embedded leases and did not reassess initial direct costs. As a result, the Foundation recorded a right-of-use asset and an operating lease liability in the amount of \$330,921 by calculating the present value using the discount rate of 5%.

As of December 31, 2022, the right-of-use asset totaled \$42,900 and the unamortized operating lease liability totaled \$45,518.

The following is a schedule of the future minimum lease payments:

Year Ending December 31, 2023 Less: Imputed interest	\$ 46,280 (762)
TOTAL OPERATING LEASE LIABILITY	\$ 45.518

Lease expense for the year ended December 31, 2022 totaled \$76,773 and is included in occupancy expense in the accompanying Statement of Functional Expenses.

9. RETIREMENT PLAN

The Foundation provides retirement benefits to its employees through a defined contribution plan. The defined contribution retirement plan is available for eligible employees who have completed six months of service. The Foundation matches contributions up to six percent of gross wages. Contributions to the Plan during the year ended December 31, 2022 totaled \$64,876, and are included in other employee benefits in the accompanying Statement of Functional Expenses.

10. AFFILIATES

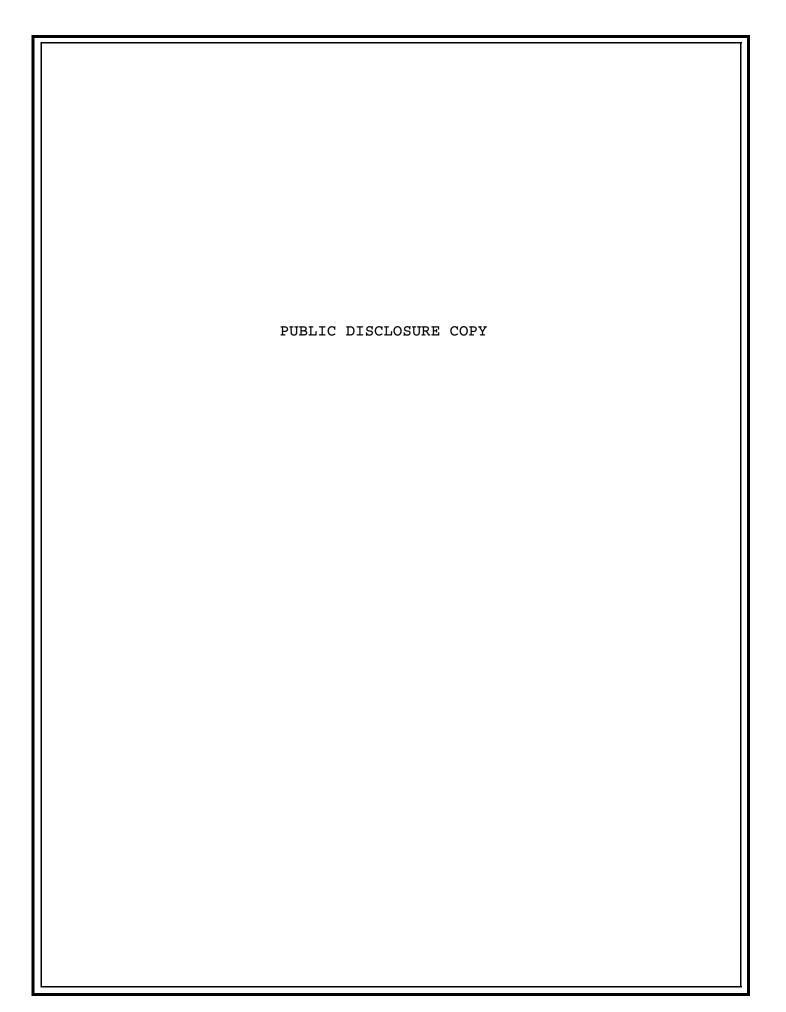

The Foundation has various Affiliates, which are noted in Note 1.

Inter-company accounts are used during the year to track payments and receipts of cash by one Affiliate on behalf of another. The balances are consolidated in the financial statements prepared by CAMFED International. As of December 31, 2022, the Affiliates owed \$2,938,859 to the Foundation. The balance consists of primarily two components. The first is from expenditures paid by Affiliates on behalf of the Foundation as well as expenses paid by the Foundation on behalf of the Affiliates. The other portion of the balance consists of cash held by the Foundation on behalf of Affiliates and cash held by the Affiliates on behalf of the Foundation, depending on what bank accounts are earning the best returns throughout the year. Substantially all of the program service expenses of the Foundation are incurred in African countries in which CAMFED International operates. Expenses are translated at the rate of exchange in effect at the date that funds are transferred to United Kingdom and African Affiliates during the year. The Statements of Financial Position of the foreign entities are maintained on the books of CAMFED International; therefore, gains and/or losses on currency translation for the foreign Affiliates' assets, liabilities and net assets are reported in the financial statements of CAMFED International.

NOTES TO FINANCIAL STATEMENTS DECEMBER 31, 2022

11. SUBSEQUENT EVENTS

In preparing these financial statements, the Foundation has evaluated events and transactions for potential recognition or disclosure through June 26, 2023, the date the financial statements were issued.
