

ZIMBABWE

**MINISTRY OF PRIMARY AND SECONDARY EDUCATION**  
**CONGRATULATORY MESSAGE TO ANGELINE MURIMIRWA**

On behalf of the Ministry of Primary and Secondary Education, and on my own behalf, I would like to extend heartfelt congratulations to Angeline Murimirwa, CEO of Camfed, on her nomination for the Africa Education Medal for 2024.

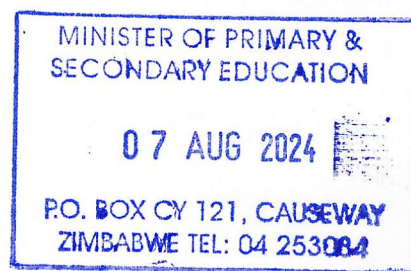

This prestigious nomination is a testament to your unwavering dedication to the education of girls and the empowerment of young women across Africa. As the Minister of Primary and Secondary Education in Zimbabwe, I am immensely proud of our Ministry's longstanding partnership with Camfed, a collaboration that began in Zimbabwe in 1993 and has since expanded to five countries, transforming the lives of over 4 million girls through education.

The Ministry is particularly aware and proud that you were among the first girls supported by Camfed in your education. Your nomination is a powerful demonstration of your transformational leadership and your tireless efforts in championing girls' education in Zimbabwe and beyond.

Once again, congratulations, Angeline! Your achievements inspire us all.

Warm regards,

Honourable Minister T. Moyo. (MP)

**MINISTER OF PRIMARY AND SECONDARY EDUCATION**
