## YOU'RE INVITED

Today, 52 million girls across Africa are out of school with poverty the greatest barrier to girls accessing an education.

For an individual girl, education changes everything which is why I am proud to support CAMFED with my event.

CAMFED supports millions of vulnerable girls from rural communities across Ghana, Malawi, Tanzania, Zambia and Zimbabwe to attend school.

With your support we can stand with this movement, and ensure more girls get the opportunity to go to school. Thank you for your support.
